Department of Transportation - Federal Aviation Administration
Supplemental Type Certificate

Number ST02324LA

This Certificate issued to Flight Environments, Inc.
570 Linne Rd
Paso Robles, CA 93446

certifies that the change in the type design for the following product with the limitations and conditions therefore as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.*

Original Product Type Certificate Number: A43NM

Make: Airbus

Model: A340-213 Series

Description of Type Design Change: Thermal Acoustic Insulation Installation in accordance with Flight Environments Master Data List 1001.MD01.501, Revision A, dated June 21, 2010, or later FAA approved revision.

Limitations and Conditions: The installation should not be incorporated in any aircraft unless it is determined that the interrelationship between this installation and any previously approved configuration will not introduce any adverse effect upon the airworthiness of the aircraft. The approval of this modification applies to the above noted airplane model series only. A copy of this STC must be included in the permanent records of the modified aircraft.
